Section 3: Gleeson Terms of Disposal

The account holder is responsible and liable for:

- Ensuring that material disposed of is compliant with either Clean or Managed Fill criteria.
- Accepts that if any fill is found to not meet Clean or Managed Fill criteria or is deemed unacceptable and is rejected, Gleeson at its sole discretion will remove the material and the customer accepts liability for all costs associated with removal from site, including testing, cartage, additional disposal costs, which will include all costs that Gleeson may incur of part of disposal.
- The customer agrees to fully cooperate and provide additional information or assistance in relation to the fill material if its requested.
- The customer acknowledges that this information may be kept and provided to a final disposal site, council, and other regulatory bodies.
- Gleeson will not be liable to the customer in any way if the fill material is rejected or needs to be removed from site for any reason.
- Gleeson cannot accept materials outside of the Clean & Managed Fill descriptions; green waste, general refuse, hazardous materials, materials with hydrocarbons, plastics, rubber, tyres, and materials with high readings of heavy metals cannot be accepted.
